DEPARTMENT OF PUBLIC INSTRUCTION

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

Circular dated 22nd November 1948.

(FINANCIAL BRANCH).

To

All the Amildars and Taluk Treasury Officers.

Subject:—Disbursement of Pay to Primary School Teachers.

Dear Sir,

No. F. B. 6—48-49. Reference is invited to Comptroller's Circular No. 191—T.A.D B-II, dated 22nd October 1945, published on Page 694 of the *Mysore Gazette*, dated 1st November 1945 and Page 702, dated 8th November 1945 (III-2) regarding the procedure to be adopted for the disbursement of pay to Primary School Teachers (copy enclosed for ready reference).

2. According to para 3 of the above Circular, the Inspectors of Schools have to send the pay bills of Primary School Teachers to the Treasury not later than the second of every month and the Amildars should cash these bills and arrange for the disbursement of pay to teachers on the fifth of every month (or on the next working day if that day happens to be a holiday), the Money Orders for Teachers of schools situated at a distance of five miles or more being sent on the same day.

3. Complaints have been received that the due date, prescribed for the disbursement of pay and remittance by Money Order, is not being adhered to and that in many cases the teachers have been receiving their pay long after the fifth of the month. To avoid hardship and inconvenience to the teachers, I request you to kindly see that the prescribed date for the disbursement of pay and remittances by Money Order is strictly adhered to.

4. The Inspectors of Schools have again been instructed to see that the bills are sent to the Treasury not later than the second of every month.

Yours faithfully,

8456 R. KASTURI RAJ CHETTY, *Director.*

Copy of Circular No. 191—T. A. D. B-11, dated 22nd October 1945, from the Comptroller to all the Amildars and Taluk Treasury Officers.

Subject:—Alteration in the date fixed for the disbursement of Pay to Primary School Teachers.

According to the existing procedure, the Amildars who are the Disbursing Officers should cash the bills for pay, grants and T. A. of all employees in Primary Schools at the Treasury and arrange to make disbursement to the teachers of schools at a distance of less than five miles from the Treasury not later than the second Saturday in the month (giving them previous intimation of change of date fixed for such payment, if and when necessary) and remit on the day on which the bill is cashed by Money Orders the amounts due to the teachers residing beyond that distance.

2. The Director of Public Instruction states that representations are being received for the disbursement of the pay of the Primary School Teachers much earlier (namely, on the 5th of every month as provided for in G. O. No. 8529-39—Edn. 33-18-3, dated 5th March 1919), owing to the hard conditions of the teachers. As the pay of the teachers of schools situated five miles or more from the Treasury is now remitted by money order the number of persons coming to the Treasury for payment is smaller than heretofore and the Treasury work in respect of personal payments to teachers is thus reduced. Further, as the countersignature of the pay bills of the Primary School Teachers by the Elementary Education Officers has since been dispensed with, the Assistant Inspectors of Education can send the bills much earlier than before, allowing sufficient time for the Treasury to scrutinise them.

3. In the above circumstances, the Amildars are requested to cash the salary bills of Primary School Teachers and arrange for the disbursement of pay to the teachers on the fifth of every month (or on the next working day, if that day happens to be a holiday), the Money Orders for teachers of

schools situated at a d istance of five miles or more being sent on the same day. The Assistant Inspectors of Education have already been instructed by the Director to send the bills to the Treasury not later than the second of every month and to close the schools on the fifth of every month (or on the next working day, if that day happens to be a holiday) to enable the teachers to receive their pay and also to hold and attend the Teachers' Association Meetings on that day.
